

3 Full Days of Intense Work

The purpose of the LEADERSHIP BOOT CAMP is to bring individuals together in an unfamiliar setting to challenge who they are and discover who they can be, both personally & professionally.

Touching on Expectations

- ◆ Participants will dig deep and face their fears and limiting beliefs
- ◆ Participants will engage in exercises to challenge their thinking and open their minds
- ◆ Participants will learn skills for better communication to influence people
- ◆ Participants will gain knowledge and become aware of what makes a great leader while developing those traits within themselves

Methodology used is diverse, intense & instrumental in transforming individuals into leaders. In order to target and develop the traits, creative approaches will be utilized to achieve measureable and sustainable results.
